Re: Request from (b) (6) for EPA/IRS Form W-2 Records

Dear Senator Graham:

Thank you for providing us with the correspondence from (b) (6) and (b) (6) and concluded a review of the request and search for the relevant records.

The Office of Personnel Management (OPM) is the proper source of information about retirees and former employees. OPM has annuity rate information on retirees but can release this information only in response to a subpoena signed by a judge or a release signed by the retiree or former employee. The subpoena or release should be sent to:

Associate Director for Retirement and Insurance
U.S. Office of Personnel Management
Post Office Box 16
Washington, DC 20044-0016

Please note that a different agency, the Federal Retirement Thrift Investment Board (the Board) administers the Thrift Savings Plan for Federal employees. The Board's regulations governing court orders are in subparts G and I of part 1650 of Title 5, Code of Federal Regulations. Questions about an individual's thrift account or the Board's rules governing court orders should be sent to:

Office of General Counsel
Federal Retirement Thrift
Investment Board
805 15th Street, NW
Washington, DC 20005-2207

We conducted an internal search for the requested records and regret that we are unable to provide the formation for the following reason(s):

1. The requestor did not provide the former EPA employee's name and or any other identifying information.
2. Any IRS Form W-2 information for the specified time would be archived and or destroyed in compliance with National Archives and Records Administration (NARA) and or General Records Schedule (GRS) applicable guidelines and records retention schedules related to pay, payroll, and or employee awards.
3. If located, and if the requestor does not have authorization from the person of record to obtain the information, only certain data may be obtained. EPA would not be able to release the requested records due to restrictions under the Privacy Act of 1974, P.L. 93-579, governing sensitive personal information and the right of the former Federal employee to protect his/her privacy.

The EPA appreciates the opportunity to review and respond to the request from (b) (6). If you have any questions, please contact me or your staff may contact [Christina](#) Moody, in the agency's Office of Congressional and Intergovernmental Relations, by email at moody.christina@epa.gov or by phone at (202) 564-0260.

Sincerely,

David A. Bloom

Melissa/ Matt, I've been working on this with Cincy and since W2s are a payroll issue this should really be assigned to OCFO as the SSCs don't hold W2/ payroll records. Now IBC holds our W2s and it looks like based on the record schedule, EPA will not have this information (since the requester is asking for information from 1985-1995).
